We’re About Making Events Effortless.

Because great events shouldn't start with stress.

We’re about making event planning easy, intuitive, and genuinely enjoyable. HatchEvent was created to simplify the chaos - no more juggling WhatsApp threads, spreadsheets, or endless vendor searches. Whether you’re organizing a private party or a corporate celebration, we give you a smarter way to discover trusted vendors, compare options, and bring your ideas to life — all in one platform. We believe planning an event should feel as exciting as the event itself.

Our color palette captures the heart of HatchEvent: vibrant, warm, and full of life. Inspired by new beginnings and clean design, these colors reflect both our playful mascot and our professional promise to simplify event planning.

HATCH YELLOW
#FFCF01

Our signature color. Bright, cheerful, and full of optimism - it represents energy, possibility, and the spark that starts every great event.

SUNSET ORANGE
#E69B2D

Warm and confident. A deeper accent color that conveys passion, creativity, and trust - perfect for call-to-actions or bold highlights.

EGGSHELL GREY
#F2F0EF

Soft, neutral, and balanced. This calming shade brings contrast to our bright tones while maintaining a clean and modern aesthetic.

MIDNIGHT CHARCOAL
#231F20

Strong, modern, and grounding. Used for text, contrast elements, and structure - it anchors the palette while keeping everything sleek and readable.

🚫 Colors to avoid:

- Neon or Oversaturated Colors (Overpower our palette and distort HatchEvent's clean aesthetic)
- Cool Blues or Purples (These tones contradict our warm and sunny personality)
- Harsh Reds or Pure Greens

Our typography reflects **HatchEvent**’s personality - bold yet friendly, modern yet warm. Clear, approachable fonts ensure readability across all devices, while maintaining a playful tone that aligns with our brand mascot and identity.

Aa

Baloo (Headlines, Titles & Logo)

A rounded, charismatic display font that gives HatchEvent its unique voice. Perfect for bold statements, hero sections, and brand presence.

Style Tips:

- Use for titles, headers, large numbers, and logo elements
- Works best with generous spacing and vibrant colors

Aa

Nunito (Body Text & Interface)

A clean, modern sans-serif that keeps our content readable, clear, and friendly across all screen sizes.

Style Tips:

- Use for paragraphs, buttons, captions, and UI labels
- Pairs naturally with Baloo for contrast in weight and tone

Tagline: Bringing Events to Life

Optional/ Secondary Tagline: Plan Less. Celebrate More.

Brand Personality:

- Friendly, helpful, fun but trustworthy
- AI-powered, modern, and reliable
- Creative, collaborative, and energetic
